Subject: Interest Announcement for Easter Weekend Holiday Detail - **April 12-16, 2001**

I wish to express my sincere appreciation to the men and women of law enforcement, and other specialists who have provided assistance to the southern California desert recreational areas during the past holiday seasons. Your dedication and willingness to participate in these programs is greatly appreciated.

California continues to experience record increases in recreational use of public lands from visitors. Assistance is again needed for the upcoming Easter holiday weekend in the Imperial Sand Dunes Recreation Area (Glamis), April 12-16, 2001. Heavy public usage is anticipated and there is an urgent need for additional assistance of Law Enforcement Rangers/Officers, Agents, EMTs and First Responders, and Public Contact Personnel (all employees). Adequate staffing is essential to enforce regulations and to provide prompt responses and necessary emergency services during these holiday weekends. Your assistance at this time is most critical.

I thank those of you who are willing to join us in these efforts and those of you who have participated with us previously. Your dedication, support, and the professional manner in which you have conducted yourselves is highly respected within the law enforcement community, and your willingness to assist us is greatly appreciated. Please fax the Special Details Application paperwork to Roger Bruckner, Special Agent-in-Charge, at Fax No. (916) 978-4455.

SPECIAL DETAILS APPLICATION

Please provide the preferred site location, dates available, your name and the duties/skills you can offer. Please provide any information on special training, skills, and/or equipment you may have, e.g.: ATV rider, and whether your office's ATV would be available to bring with you; EMT or First Responder, with supplies and vehicle; K-9 officer with dog certified in drug detection; Ranger certified with PAS device or intoxilizer. If specialized equipment, such as Humvee or a Dune Buggy and staff is available from your office to operate this equipment, please also advise. Please respond to the California Special Agent-in-Charge, CA-913, at Fax: 916-978-4455.
